

## ST>RT-UPCHILE

**Santiago, 2019**  
**Internship Vacancy:**

Start-Up Chile

3 months minimum, second semester 2019 (starting in September)

### I. CONTEXT

Start-Up Chile is the first public accelerator in the world and in only 10 years it has positioned itself as the number 1 accelerator in Latam and 4th in the world (still the only public one among the top 5) and is led by a young and eager 21-person team. We would love for you to join us in our mission to assist high potential tech entrepreneurs from all over the world to develop their companies here in Chile.

During your internship, you will have the chance to gain knowledge about the startup ecosystem, in ways of accelerating businesses (such as pitch training, SUP Academies and lean frameworks in practice) and to meet people from all over the world who have come with an idea and are creating world changing businesses.

### II. TASKS

#### Main tasks

1. Assist the Business Intelligence Executive in analyzing data of the startups growth and other metrics.
2. Assist the International Networks & Scouting Executive by scouting startups, creating and maintaining international networks in order to improve startup success
3. Assist the International Networks & Scouting Executive in increasing the impact and exposure of the program worldwide
4. Assist the Knowledge Executive in the coordination of Academic Sessions and milestone meetings

#### Other tasks

1. Assist the Corporate Networks Executives in order to increase the portfolio and the success rate of the matches
2. Accompany startups in their acceleration process during the program (assist/coordinate pitch training, milestone meetings and other acceleration activities)

\*The tasks could vary according to the needs of the institution and agreements with the intern.
